Please ensure that all books are labelled and preferably covered. Please also clearly label all other booklist items with the student's name.

Thornton State School
Completing your Booklist

Welcome to an integral part of preparing your child/ren for a successful school year. We have created this 'handy hints' document for your use.

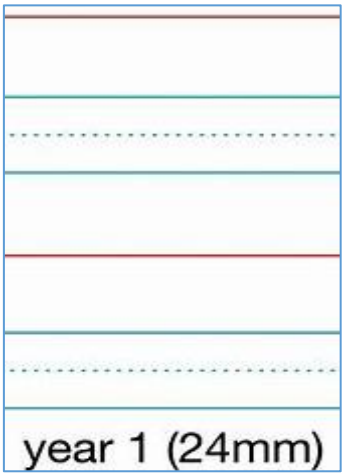

Hint 1: Complete lists – Please send in all the items at the beginning of the year. Spares will be stored and replenished as needed throughout the year. Any unused items will be returned at the end of the year.

Hint 2: Recycle / Reuse - you are very welcome to include items from this year, that are decent condition, to your child/ren's list.

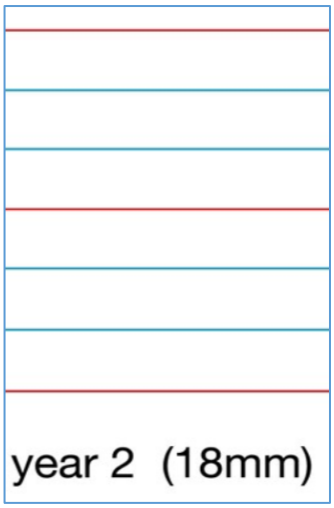

Hint 3: Quality over Savings - booklist time is costly, however generic, inexpensive brands – particularly pencils, pens and glue sticks – do not last very long and are not as effective/break easily when sharpening. We suggest buying brands that you know will accomplish the job and not require multiple replacements throughout the year.

Hint 4: Book lines – we request specific lines in books to foster correct handwriting technique. Please see below for the appropriate lines for each year level:

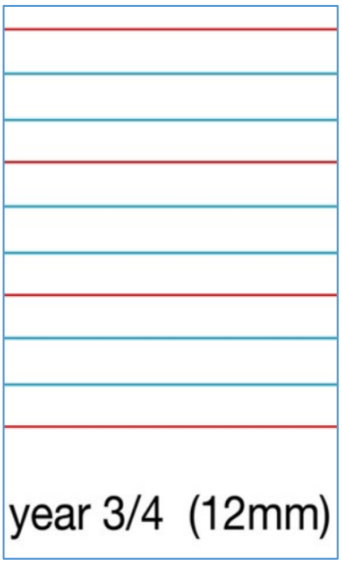

Prep/Year 1

Year 2

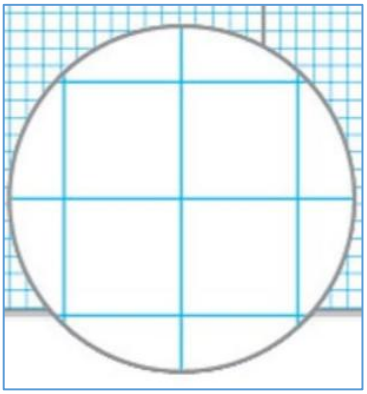

Year 3/4

Year 5/6

Grid 10mm

Botany Books - Ruled lines on one side and blank space on the other (for writing and drawing)

If you have any questions or concerns with the book lists, please let us know.

Thank you 😊
